DAUR SUPPLY / LACE SPECIFICATION

No artwork is printed on the lace. This sheet tells the lace supplier exactly what to make.

Item	Specification
Material	Woven cotton (or cotton blend), matte finish, no shine
Colour	Black, one dye lot per order
Profile	Flat for sneakers. Round waxed for dress shoes (Derby) if the eyelets are small
Width	6 to 8 mm flat. Must pass through the smallest eyelet of each model
Aglets	Matte black plastic or black metal tips; no logo needed
Packing	Pairs bundled, labelled with length in cm
Lace tag	The brass DAUR lace tag must slide on: lace width below 9 mm slot (see 04 Lace Tag)

LENGTH BY EYELET PAIRS (count the pairs on the real shoe)

Eyelet pairs	Narrow spacing (dress)	Medium spacing (sneaker)
4	70 cm	90 cm
5	80 cm	100 cm
6	80 cm	110 cm
7	90 cm	120 cm
