DAUR SUPPLY / SUPPLY UNIT SEAL / DRAWN 2x LARGER

Real tag size 50 x 30 mm. One time locking strap. Removing the seal means the pair was worn or tried outside.

FRONT

BACK

Tag: soft PVC or rubber, matte black (#16110D), 50 x 30 mm, about 2 mm thick, 5 mm corner radius.

Print: Hide #F5EEE4 and brass #C89B5E (screen print or pad print). Or raised (3D) logo moulded in the same colour.

Strap: black nylon, one time locking (cannot be opened without cutting), about 15 to 20 cm long, through the slot.

Number: printed serial NO. 000001 onward if the supplier can number them; otherwise write it by marker.

Write the seal number on the order in Shopify (order note). On a size exchange, check the number matches.

Fitting: through the top eyelet of the right shoe, tag on the outside.
